Lighthouse

Artist: Rineke Nijssen

Product Code: RINS-lighthouse

Availability: 1

Dimensions: 8.00cm x 8.00cm x 20.00cm

Price: €485,00

Description

The bright light at the top of a lighthouse is often white, but in some towers it is also red in color. Just like the towers themselves are often colored red and white. Rineke captured the atmosphere of lighthouses in this tall glass object that consists of two half cylinders. The halves are partly around each other and together form a round structure that shows its color depending on how you look at it.
